Plan • Snap • Publish

During this workshop, you will work with a small group to plan, shoot and assemble a digital photo activity. We will have time at the close to share these activities and burn them to CDs.

You may make up an activity, or choose one from our list...

- How-to book - *how to use a cell phone, how to buy a BART ticket, how to tie your shoe, etc.*
- Found Shapes, Found Alphabet, etc.
- Printing, Publishing & Exporting
- Modern Fairy Tale
- Near and Far
- "TRLD in Photos"
- Feelings
- "Mystery Spots"

...or an activity of your choice!

Use your photos to create...

- An iPhoto Book
- An iPhoto Slide Show
- Another product of your choice

Connect to Resources:

www.4j.lane.edu/~haugen

We are saving paper with a brochure instead of multiple pages. Visit my web site for complete resources, sample activities, templates, tips, links & more!
