

# First Grade School Property Contract

I, \_\_\_\_\_ agree to treat school property with respect. I understand that the teacher will give me some things that I need to use properly and keep clean for the children who will use them next year.

- I will handle books gently without bending and writing on them.
- I will keep my desks or name tags clean without scribbles.
- I will use and handle iPad, iPod, computers carefully and properly.
- I will use the classroom supplies (pencil case, erasers, pencils, folders, math manipulatives, whiteboards, etc) carefully with respect.

If I don't use school property the right way, I understand that I may be responsible to replace it with something similar (iPad, pencil case, eraser, pencils). This includes returning any book, whether from the library or classroom, back to school in good condition.
