Jikyuso Pledge Envelopes Due: Thursday, October 9th

Thank you for bringing the pledge envelopes to school yesterday, and also supporting your child dressing appropriate for Jikyuso! We practiced reading in Japanese as a class for 20 minutes, and students did a wonderful job following each letter (Hiragana)! We are very proud of our first graders who ran many laps with their friends. We were happy to observe that students were encouraging each other to finish their laps. Thank you for the parents who came to school yesterday during the Jikyuso to cheer them!! Our Jikyuso pledge envelopes with the money are due next Thursday, October 9th. We appreciate your support very much!!
