This year our chapter has over 110 students. Managing a group of this size presents special challenges. To meet these challenges we need your help.

Since National Honor Society is an extra curricular activity, it does not receive financing from the 4J School District. To adequately fund the NHS program at South we need to establish a budget of about \$2500. This amount covers the stipend for the coordinator and general operating expenses including induction and cords for graduation. We are asking for your financial support. Annual dues for National Honor Society are \$20. In addition, we suggest a donation of \$10 per family to cover the costs of National Honor Society throughout the year. If you are experiencing financial hardship, please contact Joni de Saint Phalle.
