National Honor Society
Alpha Chapter

12 September 2016

Dear National Honor Society Member and Parents,

Welcome to a new year of NHS! We are delighted to begin planning our work with new and returning National Honor Society members, individuals who were selected because of their commitment to uphold the ideals of scholarship, service, leadership and character.

Each trimester, all NHS members will attend required monthly meetings, complete at least 17 hours of community service, and participate in at least one NHS group project. Most of the community hours will be completed individually but there are many opportunities for students to work together in larger groups. These and other requirements and rules will be discussed at our first mandatory meeting on **Wednesday, September 28**. The meeting starts *promptly at 12:20 pm* in the Little Theatre.

We look forward to working with this very talented group of students as they make a difference in our community. We thank you for your support.

Sincerely,

Peter Wiebe, Adviser
