Directions for Air Pressure Extra Credit

Name ____________________

DUE: Monday, Nov. 21st

1. Use a separate piece of paper. Title it "Air Pressure Extra Credit"

2. Go to http://kids.earth.nasa.gov/archive/air_pressure/ and read the material.

3. Using complete sentences, answer the five “Discussion Questions” on the right hand side of the page. If you do not use complete sentences, I will NOT grade it!

4. Each question is worth two points, for a possible total of 10 extra credit points.

5. Turn in your paper to the wire basket in my room.

Good Luck!
