

Fun for Lesson 4—Comic, Video, Interview (real or script)

Role	Audience	Format	Topic
Starch Molecule	Amylase	Rant	Complaining about being held to be broken apart
Glucose Molecule	Benedicts	Thank You	Appreciate turning to an orange color so that people know I'm here.
Amylase	Starch Molecule	Complaint	Starch is TOO long, amylase has to work really hard to break it down.
Iodine	Starch Molecule	Thank You	For turning me from a dark orange to a beautiful inky purple
