

Ways to Help our Student at Home #2 ***Encouraging Good Study Habits***

- Provide a quiet place free of noise and distractions where your student can study and do his/her homework.
- Show that you care by asking your student what topic(s) he/she is studying in a particular class.
- Be positive and give praise when your student takes notes.
- Be an audience for your student—listen as he/she recites or shares what he/she is reading.
- Ask questions to help your student clarify or think more deeply about what he/she is reading.
- Volunteer to help your student prepare for tests by asking the questions he/she has written from lecture or textbook notes.
