

Blackline Master for Classroom Activity 6.1.19.1: Tent Design - Part 1

How many people can sleep in your tent? _____ What is the height of your tent? _____

Sketch the bottom panel of your tent and the locations where sleeping bags will go.	Sketch the overall design of your tent.

What decisions are important when choosing a tent design?

Use the remaining space to show any work (sketches of side panels, calculations, etc) needed to estimate the amount of fabric that will be necessary to make your tent.
