1. Without referring to the dictionary, how would you define "power"?		
2. Fill out the chart below:		
PERSON OR ENTITY WITH POWER:	TYPE OF POWER EXERCISED:	WAYS IN WHICH POWER IS EXERCISED:
	<u> </u>	

Directions: Working with your group of three to four students, define power and then explore at least six entities that exercise different

Rationale: The focus of our unit will be on type of power and the ways it has been exercised throughout history. This chart will offer us

Names_

Eurasian History: Group project on types of power

types of power. List them in the chart below.

the opportunity to begin our discussion.
